## Routes in the natural environment of Estellencs

Heritage, tradition and nature make estellencs a place in the Serra de Tramuntana that truly must be visited. Within this environment, still has that touch of adventure, offering a territory full of hiking routes and assets combined with Good quality establishments.

Cala Estellencs is a small cove where you can appreciate the beauty of this coastline eroded by the force of the waves, as well as the "escars", refuges for traditional fishing boats.

The combination of town and nature, marked by the closeness of the sea and mountains, helps us to get to know Estellencs, enjoying the experience and savouring the history, culture and nature that reflect the true essence of Tramuntana.

## Camí Real and Planícia

The route starts at the car park area, located on Carrer de Eusebi Pascual, throughout the urban area of Estellencs along Carrer de Sa Siquia. It starts its way uphill over the forest track and soon we will see Son Fortuny houses at a certain distance.

Further on, leaving behind the forest track, we follow the path Camí Real through Es Rafalet and Es Trast des Eivissencs. Once we reach the diversion towards Coll d'Estellencs, we head to the north following the path Camí de na Jovera, leaving all the summits of Serra de Tramuntana on our right until reaching the agricultural core formed by the houses of Planícia.

From the houses it shares the way (in the opposite direction) with the route of Aljub d'es Cristians until it reaches the GR221 path that will take us back to Estellencs.
